

Dear Donor,

Re: Online giving page—your prompt response is requested

The Center for Spiritual Living's online giving page is being updated with a new feature that requires current donors to create a new online profile. To accomplish this, we need your email address.

**Please provide us with your email address so we can work
with you to successfully set up your new profile.**

On the updated site, having a profile will allow you to manage all of your own online donation activity. You will still be able to make one-time donations and set up automatic donation plans, but now you will also be able to log in 24/7 to make changes or view your own donation history.

To get started, we first need your email address. Please email it to me at info@cslstl.org or call me at 314-576-6772. We will update your email address and let you know when you will be able to log in, set up a password and start managing your own information.

We are pleased to bring you this updated online giving program and will be happy to answer any of your questions.

Thank you!

Rev. Larry De Rusha
